Meeting Point of Textile Chemicals and Printing Technologies Industries

"6th International Dyestuff, Pigments, Textile Chemicals, Digital Textile Printing, Dyeing and Technologies Exhibition" Interdye & Textile Printing Eurasia, which will be organized in cooperation with Turkish Textile Dyeing and Finishing Industrialists Association (TTTSD) and Artkim, will host sector professionals on 27-29 November 2024 at Istanbul Expo Center.

Interdye & Textile Printing Eurasia Exhibition will also continue its mission to develop textile finishing, dyeing and printing solutions in Eurasia Region, to bring together the best of the industry, to strengthen their existing relations, to develop business contacts, to provide new commercial relations and to create a platform where visitors can achieve all their sectorial needs under a single roof.

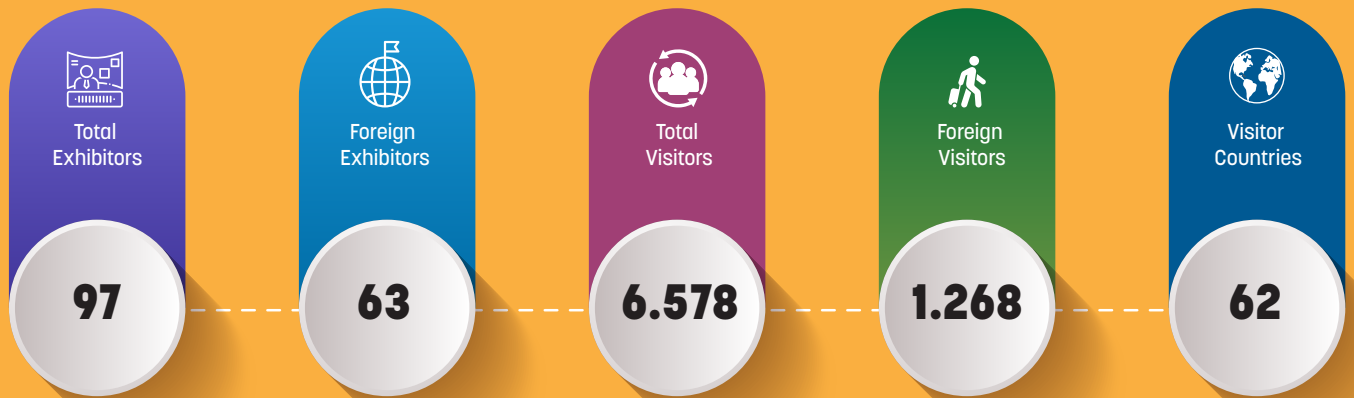

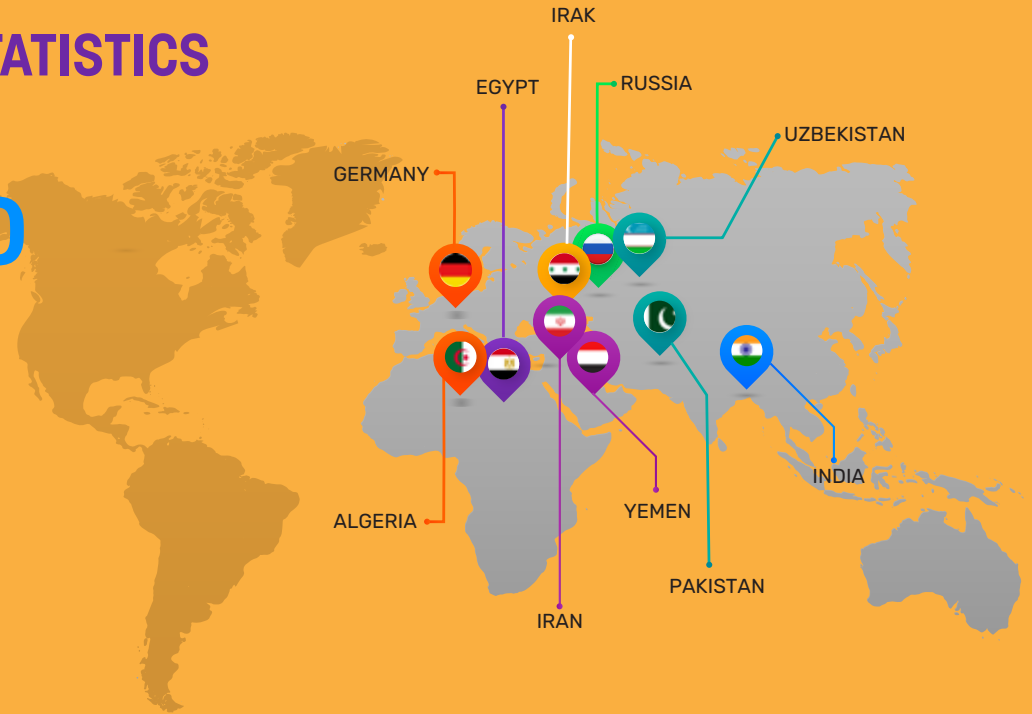

Why Exhibit?

- Get a chance to meet industry professionals who are directly in your target market.
- Step ahead of your competitors by displaying your products and solutions.
- Create sales opportunities.
- Promote your business and reach potential customers by the support of the extended promotional campaigns that are conducted before, during and after the show.
- Increase your market share in Turkey which is one of the Europe's largest market.
- Strengthen your market presence and brand awareness.
