Meeting Point of Textile Chemicals and Printing Technologies Industries

The 6th International Dyes, Pigments, Textile Chemicals, Digital Textile Printing, Dyeing and Technologies Exhibition, InterDye & Textile Printing Eurasia, will be held on 27-29 November 2024, at the İstanbul Expo Center. This event is organized in collaboration with the Turkish Textile Finishing Industrialists Association (TTTSD) and Artkim Fuarçılık, supported by the Chamber of Textile Engineers (TMO) and the Textile Exporters and Employees Association (TİHCAD), welcoming industry professionals.

Interdye & Textile Printing Eurasia Exhibition will also continue its mission to develop textile finishing, dyeing and printing solutions in the Eurasia Region, to bring together the best of the industry, to strengthen their existing relations, to develop business contacts, provide new commercial relations and to create a platform where visitors can achieve all their sectorial needs under a single roof.

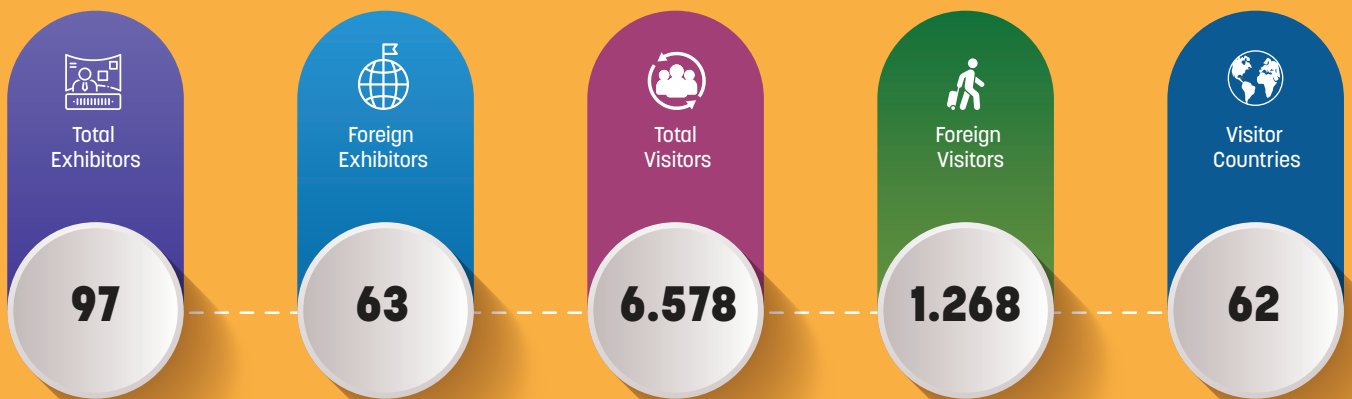

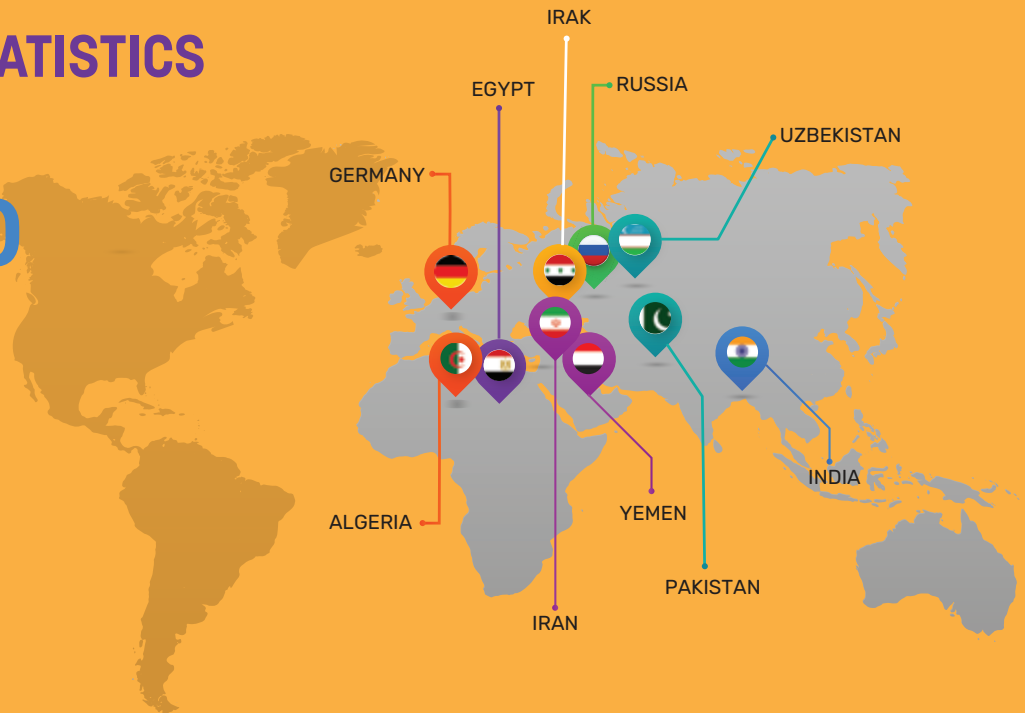

Why Exhibit?

- Get a chance to meet industry professionals who are directly in your target market.
- Step ahead of your competitors by displaying your products and solutions.
- Create sales opportunities.
- Promote your business and reach potential customers with the support of the extended promotional campaigns that are conducted before, during and after the show.
- Increase your market share in Turkey which is one largest markets.
- Strengthen your market presence and brand awareness.
